## Shawnee Elementary School

Recognizing that all individuals and/or families have varied backgrounds and beliefs, the school authorities, through experience, deem it desirable to provide guidelines for student dress so as to minimize possible conflicts with the overall procedures of the school. While many students and parents have no apparent questions or problems in determining satisfactory school dress, the following guidelines are offered. Under Title VI and IX, Federal Law prohibits discrimination of protected classes. Therefore, your discretion in providing your own interpretation is asked. If you have any questions, we would be happy to answer them.

1. Attire such as shorts, pants, capris, shirts, and/or skirts that expose or show an excessive amount of body are not to be worn. The top garment must touch the bottom garment at all times.
2. All pants must fit around the waist and be properly fastened. Shorts, skirts, dresses and capris may be worn from the first day of school through November 1 and from April 15 until the end of the school year. Between November 1 and April 14, students must wear full-length tights under these items.
3. Pajama pants, flannel pants, spandex shorts, boxer shorts, clothing with excessive tears, rips, mesh or netting are not to be worn in the building or on school grounds during school hours.
4. Students shall not wear clothing items that contain messages that are vulgar, offensive, obscene, or libelous; that denigrate others on the basis of gender, race, color, religion, creed, national origin, or disability; that promote alcohol or drug use or violence; or that are otherwise contrary to the school's educational mission.
5. Shorts, skirts and dresses must be of an appropriate length with an inseam at least equal to 3 inches in length.
6. Shoes must be worn at all times. Shoes must have backs or straps. Shoes are to be worn as the shoe was designed to be worn. House shoes, slippers, or flip flops are not permitted.
7. Students shall not wear hats, bandannas, headphones, hoods or sunglasses in the building during the school day. Sun glasses may be worn by doctor's prescription. Head coverings for religious or medical reasons may be worn.
8. Outer jackets and coats will not be worn in the building during school hours unless approved by the staff. All jackets are to be placed in the student's locker.
9. The administration shall have the right to modify specific items in these regulations as school situations and activities merit. Special dress days scheduled through the student council and principal may be excluded from the above guidelines.

Students and parents are encouraged to work cooperatively with school personnel in maintaining an atmosphere of adherence until such times as official changes are made by the Huron Board of Education.
